Industrial Mechanic (Millwright)	17	Transport Trailer Technician.....	28
Instrumentation and Control Technician	18	Truck and Transport Mechanic.....	28

Covid 19

The COVID-19 pandemic has disrupted many activities around the country and around the world, and our province is no exception. At the Agency, it has caused delays in preparing the training schedule for 2021/2022 and impacted delivery for apprenticeship technical training over the last year.

Although we plan to delivery training in-person for next year where possible, please understand that we will continue to seek advice from Provincial Public Health Officials to determine the training delivery mode starting in September 2021. Unless otherwise stated, all courses will be delivered in-person. However, if in-person delivery is not possible in September, we will make every effort with our training partners to provide remote delivery options to enable apprentices to progress during the new training year.

TRAINING DELIVERY OPTIONS

In-Person Training will be delivered on campus with instructor-led sessions full-time Monday through Friday for the duration of the training.

Blended (In Person/Online) will be delivered both on campus and virtual with instructor-led sessions full-time Monday through Friday for the duration of the training. Training is blended and therefore, it will be delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams) and on-campus. Dates for on campus technical training will be provided by the instructor.

Online (Instructor Led) will be delivered remotely (fully online) full-time via instructor-led sessions Monday through Friday. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams).

Online (Instructor Led/ Self-Paced) is primarily self-paced training but weekly sessions with an instructor will be scheduled to support your success. The scheduled of those sessions will be provided by your instructor. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams). Start and completion dates are indicated in the schedule below.

Online (Self-Paced) training will be completely self-paced. Courses combine a variety of learning experiences, but do not include scheduled instructor-led sessions. However, instructors are available via email or phone for support. All courses are delivered in the Brightspace Learning Management System. These levels are open entry and will begin on a date determined in consultation with your Industry Training Consultant.

What is the attendance policy?

- Promptness and regular attendance are expected from all apprentices attending technical training to ensure program success and apprentice progression. Following an extended absence, the Nova Scotia Apprenticeship Agency reserves the right to communicate absenteeism by the apprentice to employers, Service Canada or third-party partners.
- Late arrivals or early departures of more than thirty minutes will be considered a ½-day absence.
- Apprentices must attend 90% of the total technical training days per level. If an apprentice misses more than 10%, the instructor will contact the apprentice's Industry Training Consultant who will discuss next steps with the apprentice.

How do I apply for technical training?

- Make sure you are a registered apprentice. For more information on how to register as an apprentice, click [here](#).
- Complete and submit the [Technical Training Enrolment Form](#):
 - a. Prior to applying for training, you must have your employer's approval to attend the training.
 - b. Submission of the form does not guarantee you a seat in training. If your application is approved, you will receive emailed confirmation that you are scheduled to attend the training within 10 business days, provided all your information in our system is up to date.

Can I take two levels of training in one training year?

The Nova Scotia Apprenticeship Agency periodically updates our training based on input from industry and our Atlantic harmonization efforts. We recommend that before you enroll in two levels of training in one year, you contact your Industry Training Consultant to ensure that you do not repeat any material or experience training gaps.

If you don't know which training you should register for, please [contact the Agency](#).

Atlantic Trades Business Seal (ATBS)

The Atlantic Trades Business Seal Program is a continuing education program for journeypersons to advance their business and leadership skills and to gain regional career mobility. The Seal can prepare you to take over a managerial role at your company or to start your own business. If you are already a business owner, the program can help you develop the skills you need to take your business to the next level.

Details:

ATBS – Human Resource Management

- Sept 13 – Oct 22, 2021, Online (New Cohort)

- Sep 13 – Nov 05, 2021, Akerley Campus
- Sep 13 – Nov 05, 2021, Marconi Campus
- Jan 31 – Mar 25, 2022, Akerley Campus
- Jun 6 – Jul 29, 2022, Akerley Campus

Level 3 (Harmonized): 7 Weeks (Level exam required)

Note: Individuals who completed the “Harmonized Level 2” training last year MUST take the “Harmonized Level 3” training this year. Individuals who did not attend the “Harmonized level 2” training MUST attend the “Non-Harmonized Level 3” training session. [Important: Individuals who attend the incorrect training will have significant gaps and may be required to take additional training.]

- Nov 22, 2021 – Jan 21, 2022, Akerley Campus
- Feb 07 – Mar 25, 2022, Pictou Campus
- Feb 14 – Apr 04, 2022, Marconi Campus
- Apr 04 – May 20, 2022, Akerley Campus

Level 3 (Non-Harmonized): 7 Weeks

Note: Individuals who completed the “Harmonized Level 2” training last year MUST take the “Harmonized Level 3” training this year. Individuals who did not attend the “Harmonized level 2” training MUST the “Non-Harmonized Level 3” training session. [Important: Individuals who attend the incorrect training will have significant gaps and may be required to take additional training.]

- Sep 13 – Oct 29, 2021, Akerley Campus

Level 4: 7 Weeks

- Nov 22, 2021 – Jan 21, 2022, Akerley Campus
- Jan 25 – May 14, 2022 (part-time... 2 evenings and Saturdays) Burrridge Campus
- Jan 31 – Mar 18, 2022, Akerley Campus
- Apr 04 – May 20, 2022, Akerley Campus
- Apr 04 – May 20, 2022, Pictou Campus
- Apr 11 – May 27, 2022, Marconi Campus

IP Automotive Service Technician Refresher: (90 Hours)

Nova Scotia Apprenticeship Agency is committed to supporting apprentices and individuals who need extra training to prepare them for the certification exam or cover areas of their trade where known gaps exist. Refreshers, which are typically customized to meet the needs of participants, have been beneficial in helping such individuals to become certified.

Blaster

Blaster Certification Renewal Course: Required for Blasters who want to renew their certification. Blasters must renew their certification every five years and this course must be successfully completed before certification can be renewed.

- For the steps to apply, please read page 7 in the [Blasting Info pdf](#).

Blasting Safety Course

- To apply, please complete and submit the [Blasting Safety Application](#) online, Dates for this online self-paced training will be determined in due course.

Boilermaker

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

- 📄 [2020 Curriculum Standard Harmonized \(Levels 1 & 2\)](#)
- 📄 [2016 Curriculum Standard \(Level 3\)](#)

Level 1 (Harmonized): 8 Weeks (Level exam required)

- Mar 07 – Apr 29, 2022, Marconi Campus

Level 2 (Harmonized): 8 Weeks (Level exam required)

- Jan 10 – Mar 04, 2022, Marconi Campus

Level 3: 6 Weeks

- Nov 08 – Dec 17, 2021, Marconi Campus

Bricklayer

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

 2015 Curriculum Standard Harmonized (Levels 1, 2, 3)

Level 2 (Harmonized): 6 Weeks (Level exam required)

- Nov 22, 2021 – Jan 14, 2022, Ivany Gate Campus

Level 3 (Harmonized): 8 Weeks (Level exam required)

- Jan 24 – Mar 18, 2022, Ivany Gate Campus

IP Refresher

- May 24 – July 28, 2022, Ivany Campus

A textbook will be required and can be purchased at Ivany Campus bookstore.

Carpenter

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

 2016 Curriculum Standard Harmonized (Levels 1, 2, 3, 4)

Level 1 (Harmonized): 8 Weeks (Level exam required)

- Sep 13 – Nov 05, 2021, Akerley Campus
- Apr 04 – May 27, 2022, Marconi Campus

Level 1 (Harmonized): Online (Instructor-led/ Self-Paced) (Level exam required)

- Sep 07, 2021 – Jun 20, 2022

Training is primarily self-paced but weekly sessions with an instructor will be scheduled to support your success. The scheduled of those sessions will be provided by your instructor. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams). For instance, if your course begins in September 2021, it must be completed by June 2022.

Level 2 (Harmonized): 8 Weeks (Level exam required)

- Jan 24 – Mar 18, 2022, Akerley Campus
- Jan 31 – Mar 25, 2022, Marconi Campus

Level 3 (Harmonized): 7 Weeks (Level exam required)

- Sep 13 – Oct 29, 2021, Akerley Campus
- Nov 15, 2021 – Jan 14, 2022, Akerley Campus

Level 4 (Harmonized): 7 Weeks (Level exam required)

- Nov 15, 2021 – Jan 14, 2022, Akerley Campus
- Feb 14 – Apr 1, 2022, Burrridge Campus
- Jan 24 – Mar 11, 2022, Akerley Campus

Cook

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

 2015 Curriculum Standard Harmonized (Levels 1, 2, 3)

Level 1 (Harmonized): 5 Weeks [1 wk online + 4 wks in-class] (Level exam required)

This is a blended training session, which means it includes both online and in-class components. Here are the details and the steps for registration:

1. You will have 4 weeks to do the online component, which must be successfully completed prior to starting the in-class component of training.
2. The training:
 - Online pre-requisite component:
In-class training: Marconi Campus (full-time in-class, 1:30 - 7:30 pm) **You must complete the online component before you start this training.**
 - Online pre-requisite component:
In-class training: Akerley Campus (part-time in-class, Mondays & Tuesdays, 1:30 - 7:30 pm) **You must complete the online component before you start this training.**
3. Register for the complete blended online and in-class training by submitting a Technical Training Enrolment Form.

Level 2 (Harmonized): 5 Weeks [1 wk online + 4 wks in-class] (Level exam required)

This is a blended training session, which means it includes both online and in-class components. Here are the details and the steps for registration:

1. You will have 4 weeks to do the online component, which must be successfully completed prior to starting the in-class component of training.
2. The training:
 - Online pre-requisite component: Jan 10 – Feb 04, 2022
In-class training: Feb 07 – Mar 04, 2022, Marconi Campus (full time in-class, 1:30 - 7:30 pm). **You must complete the online component before you start this training.**
 - Online pre-requisite component: Feb 14 – Mar 11, 2022
In-class training: Mar 14 – May 20, 2022, Akerley Campus (Part-time in-class (Wed/Thurs), 1:30 - 7:30 pm). **You must complete the online component before you start this training.**
3. Register for the complete blended online and in-class training by submitting a Technical Training Enrolment Form.

Level 3 (Harmonized): 5 Weeks [1 wk online + 4 wks in-class] (Level exam required)

This is a blended training session, which means it includes both online and in-class components. Here are the details and the steps for registration:

1. You will have 4 weeks to do the online component, which must be successfully completed prior to starting the in-class component of training.
2. The training:
 - Online pre-requisite component: Mar 7, 2022 – April 1, 2022
In-class training: April 4, 2022 – April 29, 2022, Marconi Campus (full time in-class 1:30 - 7:30 pm). **You must complete the online component before you start this training.**
3. Register for the complete blended online and in-class training by submitting a Technical Training Enrolment Form.

Electrician, Construction and Industrial

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

- 📄 Construction Electrician 2016 Curriculum Standard (Level 4)
- 📄 Industrial Electrician 2017 Curriculum Standard Harmonized (Levels 1, 2, 3, 4)
- 📄 Industrial Electrician 2016 Curriculum Standard (Levels 4, 5)

Level 1 (Harmonized): 10 Weeks (Level exam required)

- Aug 30 – Nov 05, 2021, Truro Campus (In Person)
- Apr 11 – Jun 17, 2022 (Remote Delivery)
- Apr 18 – Jun 24, 2022, Ivany Campus (In Person)

Level 1 (Harmonized): Online (Instructor-led/ Self-Paced) (Level exam required)

- Oct 04, 2021 – Jun 20, 2022

Training is primarily self-paced but weekly sessions with an instructor will be scheduled to support your success. The scheduled of those sessions will be provided by your instructor. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams). For instance, if your course begins in September 2021, it must be completed by June 2022.

Level 2 (Harmonized): 9 Weeks (Level exam required)

- Sep 06 – Nov 05, 2021, Ivany Campus (In Person)
- Nov 15, 2021 – Jan 28, 2022, Ivany Campus (In Person)

Online (Instructor Led) will be delivered remotely (fully online) full-time via instructor-led sessions Monday through Friday. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams).

- Nov 15, 2021 – Jan 28, 2022, Kingstec Campus (In Person)
- Nov 22, 2021 – Feb 04, 2022, Marconi Campus (In Person)
- Nov 22, 2021 – Feb 04, 2022, Pictou Campus (In Person)
- Feb 07 – Apr 08, 2022, Ivany Campus (In Person)
- Feb 07 – Apr 08, 2022, Ivany Campus (In Person)
- Feb 14 – Apr 15, 2022, Marconi Campus (In Person)
- Feb 21 – Apr 22, 2022, Burrridge Campus (In Person)
- Apr 04 – Jun 03, 2022, Truro Campus (In Person)
- Apr 18, 2022 – June 17, 2022, Ivany Campus (In Person)

Level 3 (Harmonized): 8 Weeks (Level exam required)

- Sep 13 – Nov 05, 2021, Ivany Campus (In Person)
- Sep 13 – Nov 05, 2021, Marconi Campus (In Person)
- Nov 15, 2021 – Jan 21, 2022, Ivany Campus (Online Instructor Led)
- May 02, 2022 – June 25, 2022, Burrridge Campus (In Person)

Online (Instructor Led) will be delivered remotely (fully online) full-time via instructor-led sessions Monday through Friday. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams).

- Nov 15, 2021 – Jan 21, 2022, Ivany Campus (In Person)
- Feb 07 – Apr 01, 2022, Ivany Campus (In Person)
- Feb 07 – Apr 01, 2022, Kingstec Campus (In Person)
- Feb 21 – Apr 15, 2022, Marconi Campus (In Person)

Level 4 (Non-Harmonized): 7 Weeks:

- Jan 3 – Feb 18, 2022, Ivany Campus (In Person)

Level 4 (Harmonized): 7 Weeks: [Construction Electrician Only](#) (Level exam required)

Note: Construction Electricians who completed the “Harmonized Level 3” training last year MUST take the “Harmonized Level 4” training this year. Individuals who did not attend the “Harmonized level 3” training MUST attend the “Non-Harmonized Level 4” training sessions listed above. [Important: Individuals who attend the incorrect training will have significant gaps and may be required to take additional training.]

- Feb 28 – Apr 15, 2022, Ivany Campus (In Person)
- Feb 28 – Apr 15, 2022, Ivany Campus (In Person)
- Apr 25 – Jun 10, 2022, Ivany Campus (In Person)
- Apr 25 – Jun 10, 2022, Ivany Campus (In Person)

Level 4 (Harmonized): 12 Weeks: [Industrial Electrician Only](#) (Level exam required)

Note: Industrial Electricians who completed the “Harmonized Level 3” training last year MUST take the “Harmonized Level 4” training this year. Individuals who did not attend the “Harmonized level 3” training MUST attend one of the “Non-Harmonized Level 4” training

sessions listed above. [Important: Individuals who attend the incorrect training will have significant gaps and may be required to take additional training.]

- Nov 15, 2021 – Feb 18, 2022, Ivany Campus (In Person)

Level 5 (Non-Harmonized): 6 Weeks: [Industrial Electrician Only](#)

- Sep 20 – Oct 29, 2021, Ivany Campus (Online)
- May 9 – Jun 17, 2022, Ivany Campus (Online)

Online (Instructor Led) will be delivered remotely (fully online) full-time via instructor-led sessions Monday through Friday. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g. Microsoft Teams).

IP Industrial Electrical Refresher: 90 Hours (Part-time)

Nova Scotia Apprenticeship Agency is committed to supporting apprentices and individuals who need extra training to prepare them for the certification exam or cover areas of their trade where known gaps exist. Refreshers, which are typically customized to meet the needs of participants, have been beneficial in helping such individuals to become certified.

- Jan 10 – Mar 18, 2022, Ivany Campus

IP Construction/Industrial Electrical Refresher: Tuesday/Thursday evenings; (6PM-9PM) alternate Saturday's (9AM-3PM).

Nova Scotia Apprenticeship Agency is committed to supporting apprentices and individuals who need extra training to prepare them for the certification exam or cover areas of their trade where known gaps exist. Refreshers, which are typically customized to meet the needs of participants, have been beneficial in helping such individuals to become certified.

- Oct 5 – Dec 10, 2021, Ivany Campus

IP Construction/Industrial Electrical Refresher: 90 Hours (Part-time)

Nova Scotia Apprenticeship Agency is committed to supporting apprentices and individuals who need extra training to prepare them for the certification exam or cover areas of their trade where known gaps exist. Refreshers, which are typically customized to meet the needs of participants, have been beneficial in helping such individuals to become certified.

- Apr 18 – Jun 24, 2022, Ivany Campus

Elevating Device Mechanic

Level 1 (Non-Harmonized): Online (Instructor-led and Self-Paced) delivery

Training will be delivered remotely (fully online) primarily self-paced in combination with a weekly scheduled session in real time to support your success. Training is delivered in the Brightspace Learning Management System and will incorporate other digital learning tools (e.g., Microsoft Teams). Start and completion dates will be provided. This training will be mostly self-directed but must be completed between September 2021 and June 2022.

- Sep 07 – Jun 24, 2022

Farm Technician

IP Refresher: 90 Hours (Delivered over a 5-week period)

Farm technician trade means the occupation of a farm technician that consists of demonstrating agricultural production skills, technical skills, leadership skills and regulatory awareness; safely operating, maintaining, and adjusting equipment; maintaining properties such as buildings, farm grounds and storage facilities using safe work practices; caring for and feeding livestock; engaging in soil and nutrient management, crop management and integrated pest management.

Training will be delivered remotely (fully online). Learning resources include reading material, videos, and activities. This training will be a self-serve basis and must be completed between February 21, 2022 – March 28, 2022.

- Feb 21 – Mar 28, 2022
- Apr 11 – May 16, 2022

Gasfitter

 [2018 Gasfitter B Program Structure](#)

 [2018 Gasfitter A Program Structure](#)

Gasfitter A: 8 Courses

Online (Self-Paced) training will be completely self-paced. Courses combine a variety of learning experiences, but do not include scheduled instructor-led sessions. However, instructors are available via email or phone for support. All courses are delivered in the Brightspace Learning Management System. These levels are open entry and will begin on a date determined in consultation with your Industry Training Consultant.

Gasfitter B Level 1: 9 Courses

Online (Self-Paced) training will be completely self-paced. Courses combine a variety of learning experiences, but do not include scheduled instructor-led sessions. However, instructors are available via email or phone for support. All courses are delivered in the Brightspace Learning Management System. These levels are open entry and will begin on a date determined in consultation with your Industry Training Consultant.

- Sept 7 – June 24, 2022

Gasfitter B Level 2: 6 Weeks (In-person)

- Mar 21 – Apr 29, 2022

Hairstylist

Level one training has two parts: [1] Online component and [2] In-person component.

- [1] February 08, 2021 – Mar 30, 2022, Online – with scheduled deadlines for units, assignments, and tests.
- [2] Apr 11, 2022 – May 6, 2022, Cosmetology Association (Exams to be administered by the Cosmetology Association)

Heavy Duty Equipment Technician

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

- 📄 2020 Curriculum Standard Harmonized (Levels 1 & 2)
- 📄 2017 Curriculum Standard (Levels 3 & 4)

Level 1 Heavy Duty Equipment Tech/Truck and Transport Mechanic (Harmonized): 9 Weeks (Level exam required)

- Sep 6 – Nov 5, 2021, Akerley Campus

Level 2: Heavy Duty Equipment Tech (Harmonized): 9 Weeks (Level exam required)

- Apr 18 – Jun 3, 2022, Akerley Campus

Level 3: 6 Weeks

- Jan 10 – Feb 18, 2022, Akerley Campus

Level 4: 5 Weeks

- Mar 07 – Apr 08, 2022, Akerley Campus

Industrial Mechanic (Millwright)

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

 2019 Curriculum Standard Harmonized (Levels 1, 2 & 3)

 2017 Curriculum Standard (Level 4)

Level 1 (Harmonized): 8 Weeks (Level exam required)

- Nov 22, 2021 – Jan 28, 2022, IT Campus

Level 2 (Harmonized): 7 Weeks (Level exam required)

- Sep 20 – Nov 05, 2021, IT Campus
- Sep 20 – Nov 05, 2021, IT Campus

Level 3 (Harmonized): 7 or 8 Week sessions (Level exam required)

Note: Individuals who have not completed training on “Shaft Alignment 1” MUST attend the full 8-week session. The extra week is NOT required for individuals who attended Harmonized Level 2 or previously completed training on “Shaft Alignment 1” (attend the 7-week session).

- Feb 07 – Apr 01, 2022, IT Campus, (8 week session) [Please read above note](#)
- Feb 14 – Apr 01, 2022, IT Campus, (7 week session) [Please read above note](#)

Level 4: 7 Weeks

- Feb 14 – April 1, 2022, IT Campus
- April 11 – May 27, 2022, IT Campus
- April 11 – May 27, 2022, IT Campus

Instrumentation and Control Technician

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.

 2017 Curriculum Standard Harmonized (Levels 1, 2, 3,4)

Level 3 (Harmonized): 7 Weeks (Level exam required)

- Apr 25 – Jun 10, 2022, Marconi Campus

Level 4 (Harmonized): 7 Week or 8 Week Sessions (Level exam required)

Note: Individuals who completed the “Old Level 3” training will be missing content on equipment monitoring, process analyzers and communications systems. Therefore, they **MUST** attend the full 8-week Level 4 session. The extra week is **NOT** required for individuals who completed the “Harmonized Level 3” training last year. The new harmonized Level 4 is 7-weeks, but clients who need the gap week will need to go to school for 8 weeks.

- Sep 13 – Nov 05, 2021, Marconi Campus (8 week session) [Please read note above](#)
- Sep 20 – Nov 05, 2021, Marconi Campus (7 week session) [Please read note above](#)

Insulator (Heat and Frost)

Level Exams: Where indicated below, apprentices must pass the level exam at the end of training to progress to the next level.
